Re: Jonathan Casanova

Correction Officer Reid, et al

MEMO ENDORSED

March 11, 2008

Dear Honorable George B. Daniels

I Inmate Jonathan Casanova 07A6541 am writing you this letter to inform you of my current change of Address which is Sing Sing Correctional Facility 354 Hunter Street Ossining New York 10562.

Although I am a plaintiff in the above case there were criminal charges filed against me for the same incident which I was arrested for on Jan. 24 2007. Shortly after my Arraignment for this matter the District Attorney offered me 30 days for a plea bargain which I declined and stated readiness for trial.

This happened about 9 or 10 months ago. Since then I have not had another court date.

Recently I recieved a letter from the Assistant Corporation Counsel for Michael A. Cardozo who has been assigned to the defense of the above referenced action.

The Assistant Amy N. Okereke Alleges that Plaintiff had a hearing scheduled for the criminal case on February 4th 2008.

This Alleged hearing never took place, and to my knowledge never existed because I haven't had a court date for this matter since the beginning of last year.

With all due respect your honor it is understandable that the pendency and outcome of this criminal case has a substantial affect on the progress of this claim but how can this favor a stay when a possible conviction or dismissal is intentionally being delayed.

Although A 30.30 motion would rectify this issue for violating my rights to a speedy trial it makes no sense if I'm not being allowed to bring this to the Judges attention on the record.

The reason for this delay is that it would be a waste of money for the D.A. to take this case to trial knowing that my main witness ~~is~~ is a ~~Heating~~ Heating Officer and a cameraman.

If its not to much to ask your honor
can you please at least look into the
situation for me because not only we
my constitutional rights being violated
but its also delaying ~~to~~ the progress of
my claim.

P.S. Thank you for your time.
